

Mt Shuksan Seminar

Sept 22, 2018

Hello To all my amazing Students,

I wanted to take a moment to highlight the Amazing Mt Shuksan Seminar. In this one day Sunset Seminar, we will focus on photographing one of the most photographed mountain scenes in all of the country. With Mt Shuksan Reflecting in Picture Lake, it truly is a site to behold, and photograph. We meet for this lesson at 2pm and go through what I call my outdoor classroom where we get your camera set up correctly and I go through the techniques used to create professional images right in the camera. Here are some image highlights and more information:

This is the signature shot of Mt Shuksan reflected in Picture Lake, we nail this every afternoon. We will have plenty of time to nail the shot as we practice different angles and zoom lengths, During this time we will really hone in on the pro techniques to make sure everyone is ready and prepared for sunset.

I will also teach you how to do in Camera Black and Whites!

Then we will be ready for sunset! This is when Magic Happens! We stay out until a half hour after sunset to practice long exposures, what way to finish a fantastic day!

Lodging: Many students will drive home after the lesson, but there are many lodging options on the Mt Baker Highway and when you sign up you get a detailed class email that helps you prepare for your class

Hiking: There is no hiking involved in this class. If you can walk 200 yards from the car then you can take this class

The Cost of this Amazing Seminar is \$180 per student with a \$90 deposit. This is a class that will sell out and we have a max of only 11 students, so if you want in, contact me as soon as you decide you want to go to make sure you can reserve your spot. And of course with all of my lessons and seminars, you get hands on instruction every step of the way, at every location. My goal is for you to learn all the professional technical skills you need, and to make sure you walk away with amazing images. If photographing Mt Shuksan and Picture Lake in the fall is on your bucket list, then this may be the class for you. To sign up please give me a call at 425-210-2506 or send me an email at randall@randalljhodges.com, thank you all very much!

I look forward to working with you in the Mt Shuksan, Picture Lake Seminar!
