

# *Northwest Fall Color Big Adventure*

*Oct 23-28 2022*

*We will visit three regions in this amazing class:*

- 1. Two days Cedar Creek Grist Mill and Lower Lewis River Falls  
Cedar Creek Grist Mill:*

*Lower Lewis River Falls Area:*

*An amazing Location indeed!*

*There are so many fantastic locations and images to capture in this area, we will not be bored!!!*

*2. Two Days: Silver Falls State Park in Oregon:*

*The Trails of Ten Falls will blow you away!*

*There are so many amazing waterfall and trail shots in the park, we have to split the trail into two days just to do it justice! Hiking here is as good as hiking gets anywhere! Come on out and join us!*

*3. And finally we spend two Days in the Amazing  
Columbia River Gorge Oregon and Washington:*

*Again, there will be more to do here than we will have time  
for, but we will have two fun filled days of images making  
in the gorge*

*We will use our weather to determine which waterfalls we get to shoot, But Spirit Falls is a top contender.*

*This is a 6-day Adventure with hands on instruction as I teach you my all-In-Camera Techniques. We hope for overcast weather, but can shoot in any conditions*

*There is excellent Camping and Lodging Choices for each of these three regions we will be focusing on. You should expect to hike 2-4 miles each day, but not all at once. Trails will be easy to moderate and are fantastic. I hope you will join us!*
