

Tulips, Tulips, Tulips!

April 17th or 18th 2022 *Two dates to choose from*

Hello To all my amazing Students,

I wanted to take a moment and highlight my Tulips Class in the Skagit Valley in Washington. I only allow 7 students in this class. We will focus a lot of time on Macro Photography. You will learn the techniques for controlling and blurring your depth of field and how to capture these amazing macro shots. Will finish with an evening light and sunset shoot over one of the amazing tulip fields or daffodil fields.

This is always how we end the day, Sunset over the Tulips! We will get to practice balancing light, creating a big depth of field, and bringing it all together into a fantastic image!

Lodging: Excellent Lodging Choices in Mt Vernon or La Conner Washington

Camping: Bay view State Park is an excellent place to camp for this class. It is only a few minutes from the action and you can reserve in advance.

Hiking: There is no hiking in this class, but if we added all of our walking up, we may have put in 1 mile by the end of the day.

Macro, Macro, Macro! So much fun to teach my macro techniques.

I recommend bringing a spray bottle so we can add raindrops if mother nature did not already do it for us!

The Cost of this Amazing Lesson is \$250 per student. This is a class that will sell out and we have a max of only 8 students, so if you want in, contact me as soon as you decide you want to

go to make sure you can reserve your spot. And of course with all of my lesson and seminars, you get hands on instruction every step of the way, at every location. My goal is for you to learn all the professional technical skills you need, and to make sure you walk away with amazing images. If photographing Tulips and Macro is your thing, then this is the class for you! To sign up please give me a call at 425-210-2506 or send me an email at randall@randalljhodges.com, thank you all very much!

I look forward to working with you in the Tulips, Tulips, and Tulips Class!
